

**TECHNICAL DATA**
**Valzer 5 Class A**

Input power (W)	700
Water lift mm/H <sub>2</sub> O (in/H <sub>2</sub> O)	49 (90)
Air volume lt/sec (CFM)	2300 (103.8)
Motor protection	Termo/amp.
Dust bag (lt.)	3,5
Top fill dust bag	Standard
Micropore dust bag	Optional
S-Class Hepa filter	Optional
Active carbon filter/Microfilter	Optional
Noise level db (A)	69
Total weight kg (lb)	4,4 (9.7)
Cord length mt. (ft)	10.7 (35)

**POWER NOZZLE M30e**

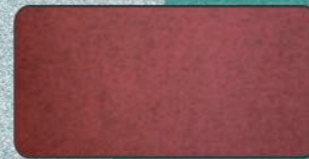

Brush motor (W)	150
Cogged drive belt	Standard
Electronic overload control	Standard
Center convergent bristles brush (RPM)	5000
Vacuum width mm (in)	300 (12)
Brush width mm (in)	270 (10.6)

DEALER STAMP

## VALZER 5 Class A

**Multifunction dual motor upright vacuum for domestic environments**

### STRENGTHS

- > High efficiency Rotafil vacuum motor 700W
- > Light and manoeuvrable
- > Top filling bag system for higher performance.
- > Electronic power nozzle turns it to a carpet cleaner and a dry cleaning system
- > Full set of accessories
- > Special patented hard surface nozzle M29R (optional)
- > Felt base (optional)
- > Back pack strap (optional)
- > 5-stage filtration system
- > Hepa filter (optional)
- > Blowing function (optional)

## HEALTHCARE pro eco FORCE Class A

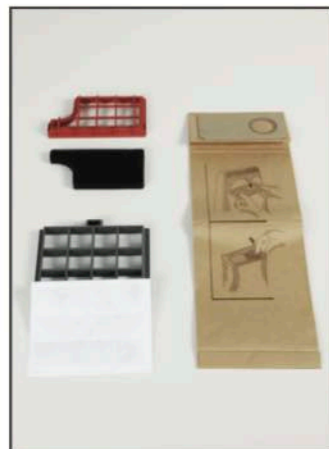

**Multifunction dual motor upright vacuum for domestic environments**

### STRENGTHS

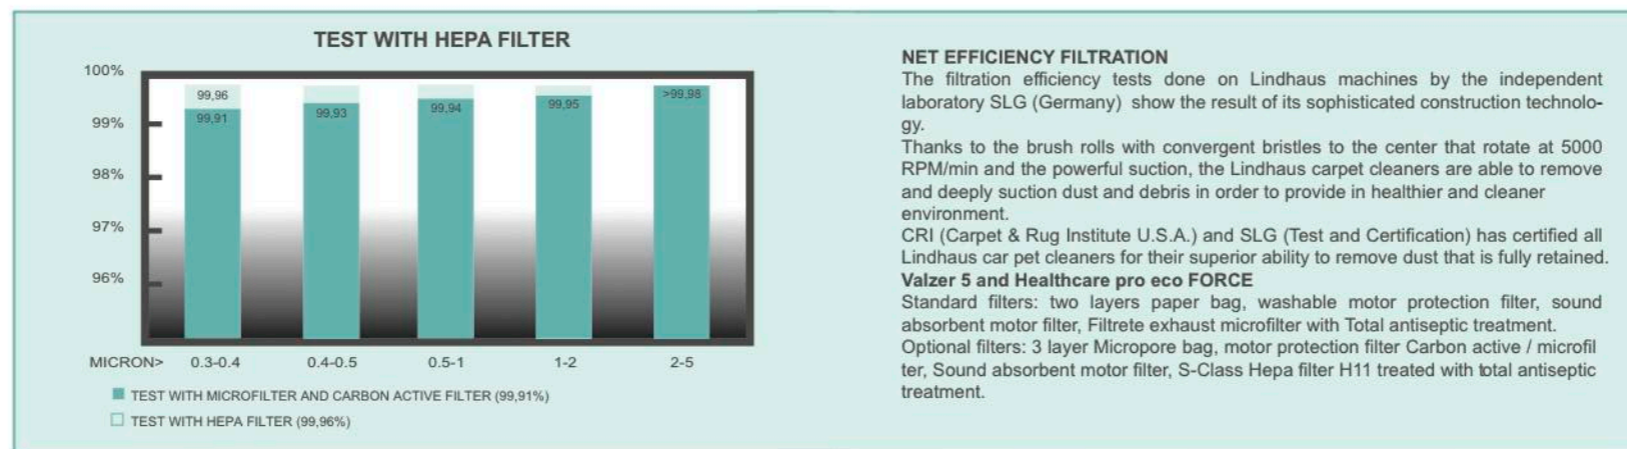

- > High efficiency Rotafil vacuum motor 700W
- > Full set of accessories on board
- > Light and manoeuvrable
- > Electronic power nozzle turns it into a carpet cleaner and a dry cleaning system
- > Available in two sizes: 12" and 15"
- > Special patented hard surface nozzle M29R (optional)
- > Felt base (optional)
- > Back pack strap (optional)
- > 5-stage filtration system
- > Hepa filter (optional)
- > Blowing function (optional)

Valzer 5 Standard accessories

Standard filters

### NET EFFICIENCY FILTRATION

The filtration efficiency tests done on Lindhaus machines by the independent laboratory SLG (Germany) show the result of its sophisticated construction technology. Thanks to the brush rolls with convergent bristles to the center that rotate at 5000 RPM/min and the powerful suction, the Lindhaus carpet cleaners are able to remove and deeply suction dust and debris in order to provide in healthier and cleaner environment.

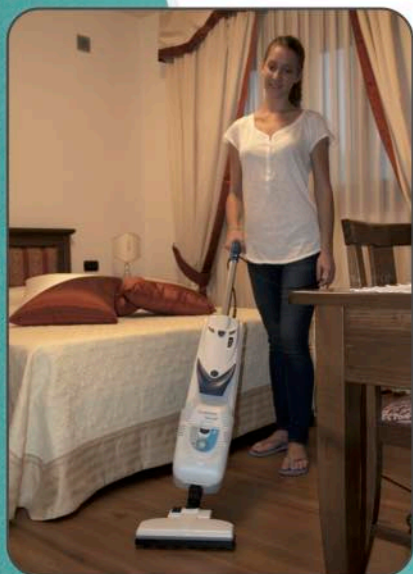

CRI (Carpet & Rug Institute U.S.A.) and SLG (Test and Certification) has certified all Lindhaus car pet cleaners for their superior ability to remove dust that is fully retained. **Valzer 5 and Healthcare pro eco FORCE**  
Standard filters: two layers paper bag, washable motor protection filter, sound absorbent motor filter, Filtrete exhaust microfilter with Total antiseptic treatment.  
Optional filters: 3 layer Micropore bag, motor protection filter Carbon active / microfilter, Sound absorbent motor filter, S-Class Hepa filter H11 treated with total antiseptic treatment.

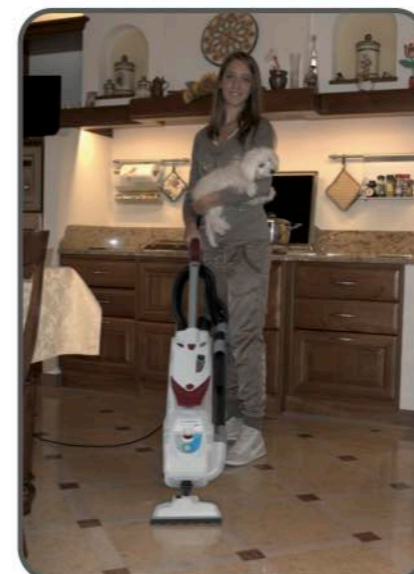

Optional filters

Control panel for functions' selection

1. The electronic overload control switches off the motor of the power nozzle in case of excessive overload and provides guidelines for the proper base adjustment.
2. The "Dry Cleaning System" DCS is integrated.
3. The flex hose for above the floor cleaning is mounted on top of the machine without removing the nozzle and without carrying the whole weight of the machine.
4. The patented M29R Lindhaus universal hard surface nozzle with 4 rubber wheels and all around suction can be equipped with a felt plate to vacuum and polish delicate floors such as wood and marble.
5. The machine lays down completely horizontally for easy access under low furniture and beds.
6. The blowing function (optional) makes it possible to dislodge the most difficult dust which can simultaneously be suctioned.

1. The electronic overload control switches off the motor of the power nozzle in case of excessive overload and provides guidelines for the proper base adjustment.
2. The "Dry Cleaning System" DCS is integrated.
3. The full set of accessories on board includes: Stretch hose with swivel cuff and swivel handle, ultra light telescopic wand, swivel round dust brush and crevice tool.
4. The patented M29R Lindhaus universal hard surface nozzle with 4 rubber wheels and all around suction can be equipped with a felt plate to vacuum and polish delicate floors such as wood and marble.
